Project

GNC Placement Portal

[March 2023]

The portal is developed using **HTML**, **CSS**, and **PHP**, and utilises a **PhpMyAdmin** database to store and manage user information, job listings, and other related data. The system is designed to be user-friendly and responsive, with an intuitive interface that makes it easy for students and placement team members to navigate and use the platform.

Internship

6 months Internship programme at DSRC	
Data Software Research Company	[Jun – Dec]
